Cal-GETC for CSU or UC

Option 2 for DVC AA/AS GE

2025-2026

August 7, 2025

Diablo Valley College
California General Education Transfer Curriculum
Effective Fall 2025 through Summer 2026

NOTE: Subject to change. See a counselor or www.assist.org for more information.

Upon completion of this pattern of courses, DVC will certify that a student's lower division general education requirements are completed for any of the 22 CSU or for many majors at UC campuses. Transition to 22 universities in progress (Cal Poly and Cal Maritime integrating – official fall 2026). **Certification is not automatic; you must request certification with your final transcript through the DVC Admissions Office.**

Cal-GETC is not recommended for all majors. See www.assist.org, check the individual campus website, or meet with a counselor for CSU/UC campus and/or major specific information.

TO TRANSFER AS A JUNIOR TO CSU OR UC YOU MUST:

- Complete at least 60 CSU or UC-transferable units.
- **Courses used for Cal-GETC must be completed with a minimum grade of "C" or higher.**

NOTE: A course or exam may be listed in more than one Cal-GETC area but may be used to satisfy only one subject requirement with exception of Language Other Than English (LOTE) and U.S. History, Constitution and American Ideals.

The GE approvals on this sheet apply to courses taken during the 2025-2026 academic year. For the most current information or for course approvals from different academic years, visit www.assist.org and/or consult with a DVC counselor on a regular basis. Courses taken prior to fall 2025 may be used for general education only if they were approved for a corresponding IGETC/Cal-GETC area during the year they were taken.

See a counselor or DVC catalog for use of IB exams to meet these requirements. CLEP exams cannot be used for Cal-GETC.

Common Course Numbering System

The Common Course Numbering (CCN) System is a state-mandated initiative (AB1111) aimed at simplifying student transfer and ensuring uniformity in course numbers across California Community Colleges. **While courses across the community college system will have the same course numbers, students should still use ASSIST.org to confirm GE approvals and articulation agreements for each individual course.**

Beginning Fall 2025, Diablo Valley College will switch to a new course numbering system. This new system, called the Common Course Numbering (CCN) system, will use the following structure:

Common Course Numbering System and Prefix Code Changes

From		To	
POLSC – Political Science		POLS – Political Science	
PSYCH – Psychology		PSYC – Psychology	
		STAT – Statistics (New prefix under Mathematics)	
COMM-120	Public Speaking	COMM-C1000	Introduction to Public Speaking
ENGL-122	First-Year College Writing and Reading	ENGL-C1000	Academic Reading and Writing
ENGL-122L	First-Year College Writing and Reading with Additional Support	ENGL-C1000E	Academic Reading and Writing

POLSC-121	Introduction to United States Government	POLS-C1000	American Government and Politics
PSYCH-101	Introduction to Psychology	PSYC-C1000	Introduction to Psychology

- Courses identified as common will feature a "C" in their catalog numbers.
- Course numbers with the letter "E" include embedded support.
- Above subject area prefixes and titles have changed to align with statewide standards.

Revisions, including new course numbers and subject prefixes, will be clearly indicated in the college catalog and class schedules to help students easily identify and navigate these changes.

For the latest information about Common Course Numbering, including an updated list of courses and answers to frequently asked questions, please visit the Common Course Numbering website.
